

■ OUR SERVICE – FLEXIBLE AND PERFECT IN FORM

■ CONSULTING

Taking into consideration your wishes and requirements for the given occasion we are happy to provide advice in a competent and individual way to develop and produce the product.

■ DESIGN AND DEVELOPMENT

Our service comprises the artistic draft, the fine-drawing and the creation of a master form as well as the production of the model plates.

■ PRODUCTION OF ROUND PLATES

In order to guarantee an optimum quality of the final product, we have our own round plate production. On request we produce round plates of different materials in different sizes and forms.

■ PRODUCTION

In order to offer the best service possible, we unite at our company location all production steps under one roof, starting with the coinage tools up to the surface finishing.

■ ART-DEPARTMENT

For the correct presentation of the produced articles we offer supporting measures and products, e.g. in form of certificates, the adequate packaging and after sales measures.

■ CONTACT

Your satisfaction is our concern. We are happy to give you noncommittal advice in a personal conversation and provide an individual offer.

Further information can be found on our homepage. For a personal discussion we are available at office times [Mon. to Thu., 08:00 to 16:00 o'clock and Fri. 08:00 to 12:00 o'clock.] and are ready to answer your questions to all of our products.

■ COIN MANUFACTURE – MASTER OF THEIR TRADE

Coin Manufacture, your reliable partner in the field of coins, medals and bars. The coinage facility exists for more than 30 years and has – together with the acquired coining facility of the company Heraeus – a strong basis for an innovative and high-performance production.

Based on the experience, the excellent qualifications of the employees as well as on the innovative production procedures, Coin Manufacture stands for high-quality products and smooth order fulfillment.

The Coin Manufacture team consists of engraver foreman, model builder and graphics designer and they see to a professional execution of all coining and engraving works.

Coin Manufacture has a quality management system and is a certified enterprise according to the quality management norm DIN ISO 9001/2008. We thus set a sign for the ambition to maintain a continuous high quality all through the company's departments.

■ COINS ■ MEDALS ■ BARS – PERMANENT VALUES

The products of Coin Manufacture fulfill the most different requirements due to their artistic as well as due to their material value: whether collection passion, the wish for investment or as a special gift idea. Thanks to the excellent craftsmanship of the employees, the numerous raw materials and the innovative production procedures, a vast number of design and production possibilities present themselves, e.g. coinages in gold or silver for special occasions or in non-precious metals for advertising purposes.

Due to our unsurpassed flexibility in the production and the company's own development department, the realization of a project is independent from the order volume.
